GRANDIO ELEMENT INTERIOR ROOF SUPPORT ASSEMBLY

1.1 Attach the **BZ1**'s to the roof line as shown in diagram **A** with the **S04/ML01**.

1.2 Install the **CZ1**'s to support the interior wall at the eave using the **S04/ML01**. See diagram **B**.

1.3 Install the **L08E-X**'s as a cross support using the **S04/ML01** hardware. See diagram **C**.
